Subject: ICLS "Use" Certification Due by June 30, 2004

Rate-of-return carriers, and competitive carriers (CETCs) serving in the service area of a rate-of-return carrier, must file a self-certification with the FCC and with USAC by June 30th of each year. The certification must state that all Interstate Common Line Support (ICLS) provided to each carrier will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, as required by section 54.904 of the FCC's rules. This year's certification must be **received** by USAC and the FCC no later than **June 30, 2004**. It may be in the form of a letter from an authorized representative for the carrier and must clearly reference CC Docket No. 96-45.

A sample self-certification letter is available at NECA's *Forms Online* Internet web page: https://www.neca.org/source/NECA_415_2373.asp. The sample letter is available as an Adobe PDF file or in Microsoft® *Word*™ format to make it easy to use on your company's letterhead. Please fax a copy of your certification to your NECA Region office at the time you mail your submission to the FCC and USAC. To help assure 100 percent compliance by NECA companies, NECA Region Member Service teams will follow up with companies that have not faxed a copy by June 20, 2004.

As always, your Region Member Service team is available to assist you in this matter.

Sincerely,

Carol A. Brennan
